Document Title QUALITY POLICY STATEMENT		
Uncontrolled on paper		

The Managing Director in conjunction with the Executive management of LANXESS Ltd has made a policy decision to operate systems within the Company which meet with the requirements of BS EN ISO 9001:2000.

All employees of the Company will follow the procedures and requirements set out in this manual. The responsibility for its enactment lies with the appropriate line management, with responsibility for monitoring and enforcement assigned to the Q.A.Coordinator.

The principal objective is to maintain a consistent service in supplying products, which comply in every respect with the customers' requirements.

The company objectives for the year 2007 are;

A. Branston.

1. A 20% reduction in quarantine material from suppliers.
2. Accreditation to the environmental STD ISO 14001.
3. A review and analysis of labelling.
4. Zero tolerance with subsequent laid down penalties for service providers who are responsible for damaged goods that are delivered to our customers.

B. Newbury.

1. Continued monitoring of the Potter Group to ensure customer requirements are kept to the optimum.

The results are to be reviewed at the Annual Management Review in September, whereupon new objectives will be set for the following 12 months.

The contents of this manual are fully authorised by the Managing Director and Executive Management.
